Letter No A 5 C 559/48 49 dated the 12th July 1948 from the Mil Commr, Bangalore City on the above subject —

In Govt Nov-L 903 7/Mil 10-46-169 dated 12 7 48 sanction was accorded to the proposal for the Continuance of the Special Land Registration Offices of the Bgm City Mlty & the staff for 6 months (+23 days) from 7-6-47 ie till the end of ~~about~~ December 1947 However, a proposal was made by the Mlty stating that there were still 51 cases of acquisition pending & that the post of the above offices & the staff be continued till the end of ~~[illegible]~~ 30-12-1948 ie for one year more Govt therefore ordered that they may be continued till the end of June 1948 (in Govt No L 13592-6/Mil 10-47-48 dated 18 2 48 with the direction that the pending cases shd be completed within that time Accordingly, the post of the Special Land Registration Offices has been abolished with effect from the 1st July 1948 and the Mil Commr Bangalore City Mlty is now in charge of the Land Registration work from that date

2) It is now reported that, for attending to the pending schemes viz. the Continuance of the staff is necessary and the Mil Comm

Council as now taken up by the Municipal Improvement Trust Board it will not therefore be necessary to continue the establishment on a permanent basis as recommended by the MCol

9) Hence the establishment maybe continued on a temporary basis for a period of two years up to the end of June 1950

10) As regards the strength of the staff, it now consists of one clerk on Rs 40-2-50-3-80 one clerk on Rs 30-2-40-2-50, one process server 25-1-30 and two peons on Rs 18½-22

The MCol have now resolved to have the services of two clerks i.e. one first grade clerk on Rs 60-5-90 & one clerk on Rs 40-2-50-3-80 and one process server on Rs 25-1-30

With regard to the fact that the establishment has been working up, it might be necessary to have a highly paid clerk on Rs 60-5-90-6-150 but it would perhaps be sufficient to have only two clerks on Rs 40-2-50-3-80 one process server on Rs 25-1-30

The MCol maybe consulted again as to their views as above

Copy of report dated 4th June 1948 received from the Special Land acquisition Officer, City Municipality, Bangalore City

--

Submitted to the Municipal Commissioner

Subject Extending the period of the Special Land acquisition Officer and the staff attached to the Bangalore City Municipality for a further period of one year from 1-7-48 to end of 30-6-1949

--

During December 1947 a recommendation was made to Government by the Municipal Council for extending the term of office for a further period of one year with effect from 1-1-48 But the Government in their order No L 13592-6/M1 10-47-49 dated 18-2-48 were pleased to sanction the further continuance of the office only 6 months from 1-1-48 to end of 30-6-48 with the direction that all the pending cases should be brought to disposal during the period

In this connection the undersigned begs to state that the nature of acquition in Bangalore City area is of a quite different nature than that of the acquisitions of rural areas There, when once acquisition scheme is finally sanctioned by Government there will be no difficulty in completing acquisition proceedings early With reference to most of the properties in the City area, there will be civil litigation and consequently the Undersigned takes long time to finish the ~~xxx xx~~ enquiry further it is found that properties change hands in the City rapidly and consequently takes some time to trace out the address of the real owners There is another fact also which delays the acquisition of the properties in the City The people in the City area who are unwilling to part with their properties approach the Municipal Council in the 1st instance for dropping the acquisition they should fail there, they approach the Government and get the acquisition proceedings stayed If they should fail even in Government, they approach the Civil Courts and get the proceedings stayed Sometimes there will be delay in the Compiler's Office in publishing the notifications in the Gazette

p t o.

From the last February 1948, no notification relaing to this Municipality has been published in the Gazette inspite of references made to the Compiler, Mysore Gazette The above facts, can be verified from the enclosed statements

At present there are 42 schemes on hand pending in various stages as per remarks noted in the enclosed statements About 50 cases are pending in the Civil Courts Apart from this a number of fresh schemes may be pending before the City Improvement Committee and the Municipal Council for being entrusted to this office in due course

In the above circumstances the continuance of the Special Land Acquisition Officer and the marginally noted staff may be got sanctioned for a further period of one year with effect from 1-7-1948

One Head Clerk on Rs 60/- with D A	staff may be got sanctioned for a further period of one year with effect from 1-7-1948
One Junior Clerk on Rs 30/- in grade 30-2-40 EB-2-50	
One process Server on Rs 25/- in grade 25-1-30 with D A	
Two peons on Rs 18/- each in grade 18-½-22 with D A

Continuance of the Establishment of the Special Land Acquisition Office Bangalore City Municipality

---

The Municipal Council at their meeting held on 28-6-48 have resolved that the Special Land Acquisition officer may be terminated from 1-7-48 and that all pending schemes be attended to by the Municipal Commissioner with the staff of

One First grade clerk	on 60-5-90/EB-6-150/	)
One Clerk	on 40-2-50/EB-3-80	(
One Process Server	on 25-1-30	)

On sending the communication to Government they have enquired the term of which sanction is needed and whether the scales of pay of the officials proposed to be continued may not be fixed in lieu of time scales as the appointments are of a temporary nature

But the Council have not fixed any period but only mentioned all pending schemes be attended In this connection it is submitted that Land Acquisition work is a permanent work in this Municipality which is being attended to by one clerk from a long time Since a good number of schemes were on and a special L A O had to be appointed with a Special staff deputed for the purpose temporarily

In view of the above it is submitted that the period of 6 months may be perhaps be fixed for the special staff to continue (to end of December 48) and thereafter the First grade clerk in view of the responsible and arduous nature of the work and the process sent being continued permanently the post of 2nd grade clerk viz 40-2-50 EB-3-80 being terminated This may be placed before the Council again

Submitted

The Land Acquisition work in this Municipalit is of a permanent nature in the interest of Public interest Whenever the first grade clerk has heavy work or whenever he goes on leave much inconvenience is caused to push on with this work As such the services of two clerks are absolutely necessary in the interest of office work, especially when the acquisitio work is very heavy now

Sir,

With reference to your letter No D5-C5-59/47-48 dated the 23rd Sep 1948 requesting sanction of Govt to the resolution of the Ml Cl dated the 9th Sep 1948 to the effect that the establishment in question may be sanctioned on a permanent basis etc, I am directed to observe that the bulk of the acquisition which does being attended by the Bangalore City Ml Cl

is now taken up by the Bangalore City Improvement Trust Board and it will not therefore be necessary to continue the establishment on a permanent basis. I am to enquire whether it is not enough to sanction it for the 2 Rs regards the strength of the staff, [illegible]

I am to observe that the M.C.C. have now resolved to have the services of two clerks viz one First Grade Clerk on Rs 60-5-90-6-150, one clerk on Rs 40-2-50-3-80 and one Process Server on Rs 25-1-30. Having regard to the fact that the establishment is mounting up, I am to enquire whether it would not be sufficient to have only two clerks on Rs 40-2-50-3-8 and one Process Server on Rs 25-1-30 In view of the M.C.C. may be returned and forwarded early, to enable further action being taken in the matter

With reference to your letter No L 4217/M1 10-48 27 dated 22-10-48 on the above subject, I have the honour to state that the acquisition work in this Municipality is increasing day by day and the clerical Establishment now proposed with a I and II grade clerks is necessary as there should be an experienced clerk with the technical knowledge of Acquisition work Though the City Improvement Trust Board is also doing Acquisition work, the work of handling the innumerable minor acquisitions in the City area is not in any way minimised in view of the fact that there are many slums requiring acquisition, so that the rate payers may be provided with necessary amenities In the interest of the efficiency of work there should be a senior and a junior clerk so as to facilitate promotions of experienced officials In the above circumstances the Municipal Council at their meeting held on 2-12-48 have approved of the office note in the matter of the continuance of the Establishment on a permanent basis as previously resolved
